

Race for Life Questions & Answers

Q. How do I create my own personal fundraising page online?

Go to www.wrmcsn.org/race.html. Follow the prompts to create your own personal page and submit your registration information.

Q. How do I add my personal Race for Life Fundraising Page to networking sites like Facebook?

Go to your personal Race for Life home page account and there you can click on the networking site of your choice and your page will automatically be added.

Q. Is there a registration fee to participate?

There is no registration fee for 1 Mile Walk Participants and for the 5K Participants a low fee of \$20 and a special family friendly rate of just \$45. However it is a fundraiser for the Women's Resource Medical Centers of Southern Nevada so if you did not fundraise we would ask you to consider a love offering to the ministry.

Q. How can people sponsor me?

After you have registered online, you will have your own page and url address that you can share with those you would like to request sponsorship from via email. They simply will click on the "sponsor me" link.

Q. What if someone does not want to use the online option to sponsor me?

There are a couple options. First, download and print the pledge form from www.wrmcsn.org/race.html and simply fill in their contact information and how much they pledge. If they are from out of town, have them mail a

check made out to Women's Resource Medical Centers with a note that says "in support of your name" to 2915 W. Charleston Blvd. Suite 1, Las Vegas, NV 89102. Or you may collect the monies and turn in on event day during registration/check-in. Second we do have a "bill me" option available. Simply fill in pledge form with contact information and pledge amount, then check the bill me box. The Women's Resource Medical Centers will send an invoice to the recipient upon completion of the Race for Life. This option is less preferable as it does create additional work and fees for the Center but is available for the convenience of those who wish to donate but do not have their check book or money available at that moment.

Q. What can I do to have the most successful fundraiser?

First, personalize your page with photos and compelling personal stories of why this ministry is important to you and why you want to raise money. Then send your page to everyone in your address book, not just family and friends. We also suggest sending updates by emailing your sponsors and potential sponsors on your training progress. Do not forget about including your fundraising efforts on your blog and social networking sites. You also can go to www.wrncsn.org and read and apply how to raise \$500 in ten days. Before you know it you will have reached your goal!

Q. How do I create a team?

When you are registering, you have an option to join or create a team. If you decide to join a current team, simply select the team that you want to join and follow the commands. Should you decide to create a new team; you simply walk through the prompted steps creating your team fundraising page.
